

Your New Garbage Cart Has Arrived!

Your NEW Cart

Your new wheeled garbage cart has arrived! If you would like, you may begin using this new cart immediately on your next regularly scheduled collection day.

Your new monthly service rate will take effect **JANUARY 1, 2015**. You may use your new cart immediately.

Garbage cart sizes were distributed based on your current service level. 20, 32 and 64 gallon carts are available for garbage collection. Exchange of cart size can be requested after February 1, 2015 by calling Customer Service. Exchange will occur on your pickup day.

Your OLD Cans,
with label facing curb.

The attached stickers marked **PLEASE TAKE ME** can be used to have us remove your old can(s). Please place the sticker in a prominent spot on the front of your can. Make sure the sticker is visible from the street, and leave it out on any of your garbage collection days through January 31, 2015. If you have more cans than stickers, stack the cans inside one another and only sticker the outside can. Keep your old 32 gallon cans to use for your bi-weekly greenwaste pickup.

You may also bring your old garbage can(s) and any remaining recycling bins to the Recycling Lot at 1046 Palmetto Avenue, in Pacifica, on Tuesday, Thursday, Friday and Saturday, from 8am to 4pm.

If you have any questions, please call our Customer Services Department at **650-355-9000** or visit us online at www.recologyofthecoast.com.
