

GCSD Parks & Recreation Programs during the COVID Pandemic

We were able to hold two series of outdoor programs during the Summer and Fall of this year.

Instructor, Vicki Rudolph, taught Rug Hooking and Beginning Embroidery to a range of seven to twelve year old El Granada children. Holding classes outdoors was certainly a challenge, especially when the wind and fog would roll in! The young rug hookers had fun designing and creating their projects which, when completed, became their take home burlap bags.

Instructor, Anna Davidson, taught Cross Stitching and Advanced Embroidery classes in October to a full range of seven to twelve year old children. The spatial and fine motor skills developed during all these programs are critical to the brain development of young children.
